LIBRARY ACTIVITY REPORT MAY 2025

- **Library Activity No. : - 6**
- **Date: 22nd November 2025**
- **Time : 3.30pm to 04.30pm (During Library Hour)**
- **Name of Activity: LIBRARY SCAVENGER HUNT**
- **Organized by: Central Library, AMAMCH**
- **Prepared by: Miss. Hempushpa M. Kumbhar , Librarian**

➤ **INTRODUCTION**

The purpose of this Library Activity report is to document the efforts and impact of our Library Scavenger Hunt Activity. An integral part of our initiative is to introduce third year students to the books available in their subjects. Our main goal is to encourage students to use library resources.

➤ **ABOUT THE ACTIVITY :**

In this activity, groups of students were formed and rounds were taken. The students were given some books related to their subjects. They were asked to find the accession number of those books within one minute. After finding the correct bookshelf and accession number, the students placed the books in the correct place.

To complete this activity, the Librarian Miss. Hempushpa M. Kumbhar and Assistant Librarian Miss. Shailaja K. Magdum guided the students on how to keep the books in the right place based on the accession number.

➤ **Challenges & Solutions:**

We managed this activity very effectively in a limited area. Since there is limited space in the library for reading and for different sections, we organized this activity only on books. With the help of students we capture some pictures & shot this activity video in mobile.

➤ **Conclusion & Recommendations:**

A Library Activity called LIBRARY SCAVENGER HUNT was organized for the Third Year students at Ashokrao Mane Ayurvedic Medical College and Hospital, Vathar Tarf, Vadgaon. This scavenger hunt not only introduced the students to books but also got positive participation from the students. **The students were very happy with this activity, and all the students also requested the librarian to conduct more such activities by the library.** If the library activities receive such a response from everyone in the future, the library resources will be utilized to the maximum.
